

JERSEY CYCLING SELECTION CRITERIA FOR GUERNSEY 2021 ISLAND GAMES

Road Cycling:

The following events will be considered as part of the selection criteria of the road cycling team:

1. Jersey Cycling circuit race championships
2. Jersey Cycling road race championships
3. Jersey Cycling time trial championships
4. Inter Insular championships
5. Liberation Day RR
6. Jay Morris memorial

Results from the above races will be used to form part but not all of the basis of the team selection. Jersey Cycling are looking to select riders that will form a 'Team' and will work together and where necessary sacrifice their own ambitions in order to achieve the best results for Jersey. With this in mind Jersey Cycling will select the team that they feel will best combine to give Team Jersey the best chance for individual and team success on the courses selected for the games. The above races are for senior riders. Youth riders where appropriate will ride the above events

Riders will be expected to compete in local road/track events throughout the 2020 season and to compete off island a minimum of 3 separate trips preferably with other riders up for selection

Men will be expected to compete in division 1

Under 18 males to be competing in no lower than division 2 with the expectation for them to be competing in Division 1 from July 2020 onwards or before

Ladies will be expected to compete in division 2 or division 1

Under 18 females to be competing in no lower than division 3 with the expectation for them to be competing in Division 2 from July 2020 onwards or before

Jersey Cycling will be selecting the team on October 5th and the team will be notified following the completion of the meeting

Jersey Cycling can select up to a maximum of 5 male and 5 female riders per team although should insufficient numbers meet the criteria set out above a reduced team may be selected.

Note: 1 Male youth and 1 Female youth will be granted a place on each team provided they can demonstrate to the selection panel throughout the season that they are of an appropriate standard to add value to the team and would benefit from the experience that the games would provide a young athlete.

Note: Any rider wishing to be considered for selection must be a member of a JCA affiliated cycling club
